### What is a microhood here?

A microhood is a practical search zone \*inside a commune\* (e.g., City of Brussels / Sablon). Names follow the city-pack microhood list and may differ slightly from portal labels.

### Transparent scoring

- We compute five scores (Safety, Family, Commute, Lifestyle, BudgetFit) using city-pack signals and your stated budget.
- Overall is the rounded average of these five scores, so you can compare communes on one simple number.

### What can be wrong (limitations)

- Street feel and noise are highly street-dependent; validate in person (day + evening).
- Listings can hide humidity/insulation issues; rely on EPC + window quality + smell checks.
- Supply changes weekly; treat this shortlist as a refreshed starting point.

## Questions to ask (copy-paste)

Before viewing	During viewing
<ul style="list-style-type: none"> <li>• Please confirm in writing and share documents where possible (EPC, electrical, syndic pack).</li> <li>• EPC rating and heating type? Any planned works in the building?</li> <li>• Monthly charges (syndic/HOA) and what's included? Reserve fund amount + planned works list (if apartment).</li> <li>• Parking options (private spot / permit) and bike storage?</li> <li>• Noise exposure: which side faces the street; double glazing?</li> <li>• Any urbanism/permit constraints (extensions/terraces) if relevant?</li> </ul>	<ul style="list-style-type: none"> <li>• Check street noise at the windows (open/closed) and at peak hours if possible.</li> <li>• Test water pressure, heating, and ventilation; check humidity/mold signs.</li> <li>• Ask for electrical report + verify consumer unit / grounding.</li> <li>• Confirm insulation and windows; note orientation and natural light.</li> <li>• Look for cellar/storage, stroller access, elevator, bike room.</li> </ul>

### Offer stage (Belgium specifics)

- Request documents early: EPC, electrical, urbanism (if needed), syndic docs, minutes, budget.
- Clarify conditions in the offer (financing, technical inspection, document receipt).
- Plan timeline: offer → compromis → deed (notary) and move-in date alignment.

### Second viewing checklist (5–10 min)

- Confirm charges breakdown (syndic/HOA) + reserve fund + planned works; get minutes and budget in writing.
- Verify heating system, insulation, and any moisture issues (cellar/bathroom corners, ventilation).
- Check noise at different times (street, neighbors) and window quality; ask about recent complaints.
- Validate parking reality (permit rules, availability, private spots) and storage (bikes/strollers).
- Review legal/urbanism points (permits, co-ownership rules) if you plan renovations or terraces.
- Ask for a clear inventory of included fixtures/appliances and estimated move-in timeline.
- If possible: bring a contractor/inspector for a quick sanity-check of hidden costs.

## Belgium buying basics (compact)

### Buying basics

- Typical flow: offer → compromis (sale agreement) → deed at notary (timing varies).
- Key docs: EPC, electrical inspection, urbanism/permit notes (if applicable).
- If apartment: syndic/HOA docs (charges, reserve fund, minutes, planned works).
- Registration fees & notary costs: factor them early (details depend on region and situation).
- Budget buffer: keep a margin for first-year fixes (windows, heating, humidity).

### Brussels-specific pitfalls (quick list)

- If apartment: planned works can override "cheap charges"; always ask for minutes + budget + reserve fund.
- Noise on main arteries: validate street-by-street; avoid assuming the whole commune is quiet.
- Parking reality: permits vs private spots; check rules for the exact address.
- Old building trade-offs: EPC, insulation, humidity; ask about recent works.
- Syndic charges can vary widely; validate what's included and reserve fund health.
- Orientation/light: same street can be night/day difference; check sunlight in person.
- Schools/childcare: availability and waitlists; start inquiries early if relevant.
- Public transport nodes: great convenience but can mean higher noise/foot traffic.
- Renovations: confirm permits and restrictions for terraces/extensions if important to you.
